Boots to Business:

Ownership can be the key opportunity for your post-military life. This two-day workshop is an introduction to starting your own business. The class is in partnership with the U.S. Small Business Administration and Veterans Affairs.

Franchising:

If you are interested in owning a business, you may want to learn about franchises. Discover the many opportunities available to veterans and spouses at discounted prices. You will also learn the pros and cons of franchises. Boots to Business is a prerequisite for this class.

Classes are open to transitioning military members, retirees, spouses, Guard, Reserve and DoD civilians. Classes are subject to change. Please call to sign-up and reserve a seat for all classes, as space is limited. For more information, call Fleet & Family Support Center (202) 685-0229.
