

A Walk in Her Shoes

OCTOBER 31 • 12-1PM • WNY, BLDG. 154

October is Domestic Violence Awareness Month!

Join the Family Advocacy staff for a unique and interactive training.

A Walk in Her Shoes allows us to temporarily experience life as a woman experiencing violence. Participants will be challenged to make real-life choices that determine 'their' fate and gain powerful insight into the many obstacles victims face.

All are welcome to attend! To register contact the FFSC at 202-685-0229.
