Group Fitness Class Descriptions: (Classes are 30-50 minutes long)

15-all: Ever thought of having three workouts in one? Get your total-body workout through 15 minutes of strength training, 15 minutes of cardiovascular conditioning and 15 minutes of core and flexibility exercises.

Ab-Solutely: 30 minute workout routine focusing on functional fitness exercises to strengthen your abs and core to the max.

Power Pump: A full body tone and sculpt class that uses barbells and weights to improve muscle endurance and strength.

Command Fitness: You can command power, strength and agility with this military- inspired circuit workout that pushes your body to the limit! This exercise may also assist in improving your PRT scores. As you maneuver your way through the stations, you run, lunge and crunch for a full-body workout. Commands have priority registration for this course. All other patrons are welcome to join in on this intense and fun workout!

Functional Fitness: 45-minute workout that will force you to utilize your entire body to improve your mobility, endurance, agility, balance and flexibility.

H.I.I.T (High-Intensity Interval Training): This creative and fun workout alternates between cardio drills and strength training intervals. The overall-body training session is designed to burn the maximum amount of calories. The cardiovascular workout improves the efficiency of your heart, lungs and circulatory system through continuous effort that elevates your heart rate. Also, the sustained movement is great for burning calories and increasing endurance.

NOFFS (Navy Operational Fitness and Fueling System): The NOFFS series includes: STRENGTH, ENDURANCE and SANDBAG. It combines both human performance and injury prevention strategies, resulting in safer training while yielding positive human performance outcomes. This class includes exercises used in operational duties such as, lifting, pushing, pulling and carrying. The class objective includes aerobic/anaerobic, body movement skills with balance, agility and coordination. This class is for all fitness levels. For more information, visit www.navyfitness.org.

Spin: This class offers an intense stationary bike workout that simulates an outdoor bike ride. Through tension adjustments and pedaling techniques, you encounter straight-a-ways, steep hills and rolling terrains that correspond to the difficulty of an outdoor ride. This class makes you sweat!

Tae Kwon Do: Learn self-defense through this Korean martial art. This class increases flexibility, co-ordination and confidence!

Yoga: Develop strength, muscle tone and flexibility with the union occurring between mind, body and spirit. De-stress your day!

Zumba: This class is a fusion of body sculpting movements and easy-to-follow dance steps to the tune of Latin and international music. The routine features aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt your body.
